

## AHALYA PREETHI R

3/265, Middle Street, Chokkanathanputhur.

ahalyapreethi2001@gmail.com  
9025577383

### Objective

To secure a challenging position in a reputable organization to expand my learnings, knowledge, and skills. Secure a responsible career opportunity to fully utilize my training and skills, while making a significant contribution to the success of the company.

### Education

#### **Karpagam College Of Engineering, Coimbatore.**

B.E - Electronics And Communication Engineering  
— 8.64%(upto 5th sem)

#### **Dharani Matriculation Higher Secondary School, Dharani Nagar.**

HSC  
— 71%

#### **Dharani Matriculation Higher Secondary School, Dharani Nagar.**

SSLC  
— 90.6%

### Technical Skills

Java  
C Programming  
HTML 5

### Soft Skills

Punctuality  
Adaptability  
Self Motivation

### Project

#### **Car Parking System Using Arduino UNO**

The IR Sensor is utilized with Arduino to indicate the empty slot. By measuring the distance using IR sensor drivers are able to find the empty slot in parking to park the car and help the driver to find the slot easily and reduce the searching time. As the parking place is found to be empty it is detected using IR sensors which report it further. We achieved this by programming the sensors and Arduino.

### Internship

#### **MVN Evolution**

WEB APPLICATION

May 2021 - May 2021

I have learned to build a web page using HTML.

### Language

Tamil, English

### Certifications

#### **Coursera**

Build Your Portfolio website with HTML and CSS.

HTML and CSS: Building a single-page website.

### Events Participated And Achivements

Participated in CIRQTRIX2K19 conducted by the Electrical Science Academy Of Karpagam College Of Engineering.

Participated in NEW INDIA LEARNATHON 2020 by ICT ACADEMY and got the certificate of recognition.

### Declaration

I solemnly declare that the information furnished above is free from errors to the best of my knowledge and belief.
